

OPEN POSITION: PROPERTY/CASUALTY UNDERWRITER

ProHost USA is a program administrator specializing in property/casualty insurance products for restaurants. We are currently seeking an experienced underwriter for our Minneapolis office. This position is responsible for the servicing, underwriting management and profitable growth of a book of restaurant accounts generated from retail agents and brokers nationally. This individual will be responsible for managing customer relationships and day-to-day servicing of a book of accounts as well as generating new opportunities while maintaining a high quality risk selection.

POSITION RESPONSIBILITIES:

- Support long and short term business strategies through quality underwriting, customer service and production initiatives.
- Manage a group of agents and brokers and develop positive and productive relationships with them.
- Deliver the highest level of customer service.
- Ensure that quotes are issued timely and accurately.
- Adhere to documentation standards and ensure all underwriting documentation is complete and compliant to corporate standards.

JOB REQUIREMENTS

- 2 or more years of commercial package underwriting experience.
- Solid technical underwriting expertise but
- A production-oriented mindset with demonstrable marketing and production skills.
- The ability to recognize opportunities, establish relationships, and design and implement action plans to increase market share.
- Ability to thrive in a fast-paced environment.
- Four year college degree preferred.
